About Us Thank you for taking the time to visit us and learn what we're all about. Please feel free to email me with any questions. And check back for further updates as we continue to add to our lovely site. My name is Erin Parham and I and my husband and 2 children live in Ladson, SC. I am a veterinary technician, currently stay-at-home-mom. Please let me give you an overview of my history with Boxers and introduce you to our Parham Pack: My love for Boxers began in 1991, when I was sixteen years old. My parents brought home our family's first Boxer, Samson Of The Palmetto. He was a plain brindle boy with cropped ears and a temperament that the Boxer breed standard was written all about. He was not a show quality Boxer, but he came from a not-so-shabby bloodline; he was a grandson of CH. Baroak's Concertmaster on his sire's side, and grandson of Can/Am CH. Rodonna's Renegade Soldier X Can. CH. Burcarel's Palmetto Belle on his dam's side.
